

**§ 300.349 Private school placements by public agencies.**

(a) *Developing IEPs.* (1) Before a public agency places a child with a disability in, or refers a child to, a private school or facility, the agency shall initiate and conduct a meeting to develop an IEP for the child in accordance with §§ 300.346 and 300.347.

(2) The agency shall ensure that a representative of the private school or facility attends the meeting. If the representative cannot attend, the agency shall use other methods to ensure participation by the private school or facility, including individual or conference telephone calls.

(b) *Reviewing and revising IEPs.* (1) After a child with a disability enters a private school or facility, any meetings to review and revise the child's IEP may be initiated and conducted by the private school or facility at the discretion of the public agency.

(2) If the private school or facility initiates and conducts these meetings, the public agency shall ensure that the parents and an agency representative—

(i) Are involved in any decision about the child's IEP; and

(ii) Agree to any proposed changes in the IEP before those changes are implemented.

(c) *Responsibility.* Even if a private school or facility implements a child's IEP, responsibility for compliance with this part remains with the public agency and the SEA.

(Authority: 20 U.S.C. 1412(a)(10)(B))

**§ 300.350 IEP—accountability.**

(a) *Provision of services.* Subject to paragraph (b) of this section, each public agency must—

(1) Provide special education and related services to a child with a disability in accordance with the child's IEP; and

(2) Make a good faith effort to assist the child to achieve the goals and objectives or benchmarks listed in the IEP.

(b) *Accountability.* Part B of the Act does not require that any agency, teacher, or other person be held accountable if a child does not achieve the growth projected in the annual goals and benchmarks or objectives.

However, the Act does not prohibit a State or public agency from establishing its own accountability systems regarding teacher, school, or agency performance.

(c) *Construction—parent rights.* Nothing in this section limits a parent's right to ask for revisions of the child's IEP or to invoke due process procedures if the parent feels that the efforts required in paragraph (a) of this section are not being made.
